External Survey

Discussion External Survey results.

Themes:

Paving the road to the new elementary

Communication-how do we communicate in the 5-12 building with parents. Starting a subcommittee to discuss how communication could look at the middle school and high school level.

More additional enrichment opportunities at the elementary level.

Getting more gifted and talented opportunities in other areas in the 5-12 building.

Take this information and further the discussion of ways to communicate with 5-12 parents. Maybe create a committee for this???

Presentation from one core group of CCC

PJ Smith will present about the school website. Shared about updates to the webpage to make it more accessible. Drop down menus, virtual tours of facilities, buttons at the bottom of the district page for menus, Skyward, Schoology etc.
